ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

The Environmental Health Directorate within the Superintendence of Public Health wishes to notify that following repeated sampling of seawater carried out on a daily basis during the last days St. George's Bay, St. Julian's (Site Codes B03 and B04) is once again fit for bathing and thus the health warning is hereby being lifted.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 7:00 a.m. and 3:00 p.m. on telephone number 21337333, or by calling personally at its offices at Continental Business Centre, Cutrico Buildings, Old Railway Track, Sta. Venera or by email mhi@gov.mt. Outside these hours, the public is cordially requested to call the automated system on 21827146.

The public is also being invited to access the Directorate's Facebook page at <http://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626> or our official website at https://ehealth.gov.mt/HealthPortal/public_health/environmental-health/department_for_env_health.aspx for similar information.
