

Press Release

PR 1966

17.09.2013

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

The Environmental Health Directorate wishes to inform the public that the bathing water automated system on telephone number 21827146 is temporarily out of service. Therefore for the time being if any discharges into the sea are noticed, the public is being urged to contact the Health Inspectorate Services between 07:30 and 15:00 on telephone number 21337333 or by calling personally at its offices at Continental Business Centre, Old Railway Track, St Venera or by email on mhi@gov.mt.

Furthermore the public is also being invited to access updated information about bathing water on the Directorate's official website at https://ehealth.gov.mt/HealthPortal/public_health/environmental-health/department_for_env_health.aspx or Facebook page at <http://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626>.
