

Press Release

PR 2268

16. 10. 2013

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

In accordance with the Food Safety Act and Regulation (EC) No 178 of 2002 of the European Parliament and of the Council, the Environmental Health Directorate within the Superintendence of Public Health wishes to inform the public that the product mentioned below must not be consumed since it was found to contain high levels of 'Deoxynivalenol' which can form in wheat based food from moulds which come in contact with the food.

Product Name:	Maltova Infant Food
Product Description:	Wheat based food suitable for infants – fine granules
Brand:	Maltova
Contents:	200g
Packaging Description:	Cardboard box with yellow cap
Best Before date:	07/14
Lot:	L302

The responsible person was instructed to withdraw the batch in question from the market, however since it was reported that all consignment has been sold, as it is done in these cases, this Directorate is obliged to inform consumers of this recall.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 8:00 a.m. and 2:30 p.m. on telephone number 21337333, or by calling personally at its offices at Continental Business Centre, Cutrico Buildings, Old Railway Track, Santa Venera or by email mhi@gov.mt. The public is also being invited to access the Directorate's Facebook page at <http://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626> or our official website at https://ehealth.gov.mt/HealthPortal/public_health/environmental-health/department_for_env_health.aspx for similar information.
