ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

In accordance with the Food Safety Act and Regulation (EC) No 178 of 2002 of the European Parliament and of the Council, following information received via INFOSAN (International Food Safety Authorities Network) managed by the World Health Organisation, the Environmental Health Directorate within the Superintendence of Public Health wishes to inform the public that the food supplement mentioned below must not be consumed since it has been possibly associated with acute Hepatitis illnesses in other countries.

Product Description:	Food Supplement
Brand:	OxyElite Pro; USP Labs
Best Before date:	All
Lot:	All

Although from information gathered product has probably not been imported into Malta by wholesalers, imports for personal use are known and hence as it is done in these cases, this Directorate is obliged to inform consumers of this recall.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 8:00 a.m. and 2:30 p.m. on telephone number 21337333, or by calling personally at its offices at Continental Business Centre, Cutrico Buildings, Old Railway Track, Santa Venera or by email mhi@gov.mt. The public is also being invited to access the Directorate's Facebook page at <http://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626> or our official website at https://ehealth.gov.mt/HealthPortal/public_health/environmental-health/department_for_env_health.aspx for similar information.
