

Press Release

PR 2527

14. 11. 2013

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

In accordance with the Food Safety Act and Regulation (EC) No 178 of 2002 of the European Parliament and of the Council, the Environmental Health Directorate within the Superintendence of Public Health, wishes to inform the public that from information received through the Rapid Alert System for Food and Feed the following product must not be consumed since it was reported that it can cause palpitations, chest pain, nausea, headache and cardiac arrest.

Product Description:	Food Supplement
Brand name:	Dexaprime I Force
Packaging description:	Black plastic jar inside a black box

Although from information gathered product has probably not been imported into Malta by wholesalers, imports for personal use are known and hence as it is done in these cases, this Directorate is obliged to inform consumers of this recall.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 8:00 a.m. and 2:30 p.m. on telephone number 21337333, or by calling personally at its offices at Continental Business Centre, Cutrico Buildings, Old Railway Track, Santa Venera or by email mhi@gov.mt. The public is also being invited to access the Directorate's Facebook page at

<http://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626> or our official website at https://ehealth.gov.mt/HealthPortal/public_health/environmental-health/department_for_env_health.aspx for similar information.
