MOVEMENT OF OFFICE FROM WHERE THE WHITE CARD IS ISSUED

As part of the Government's effort to enhance the health services, it is to be noted that with immediate effect, the Drug Control Unit (from where the white card for narcotic and psychotropic medicines is issued) is moving to new offices at the ground floor of the Outpatients Block within St. Luke's Hospital. This move is being made so that all the services with respect to medicines will be available from the same place.

Thus, the public is being informed that on Friday 10th January 2014, the Drug Control Unit will be closed. The new offices at the Outpatients Block in St. Luke's Hospital, will be open for the public as from Monday 13th January 2014.

The telephone numbers will remain the same, that is 21226270 and 21245490.

Any inconvenience is regretted.
