

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

Reference Number: PR142710, Press Release Issue Date: Nov 18, 2014

With reference to Press Release number 142414 issued on the 20th October, 2014 (URL: <http://www.gov.mt/en/Government/Press%20Releases/Pages/2014/October/20/pr142414.aspx>), the Environmental Health Directorate within the Superintendence of Public Health wishes to inform the public that following further analysis carried out, another batch of mentioned product should not be consumed due to elevated levels of histamine.

Product Description: Anchovy fillets in olive oil

Brand: deepblue

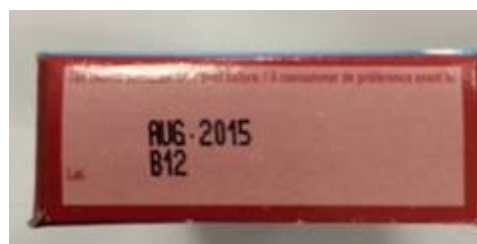

Origin: Spain

Weight: 48g

Packaging Description: Metal tin inside carton box

Best before date: August 2015

Lot No.: B 12

It has to be pointed out that in the English version of the mentioned Press Release, there was a typing error in the Best Before Date which should have read April 2015 instead of 2014. The Company involved was instructed to recall product in question, however since part of the consignment has probably reached the final consumer, as it is done in these cases, this Directorate is obliged to inform the public of this recall.

For further information, the public is kindly requested to contact the Health Inspectorate Services **between**

8:00 a.m. and 2:30 p.m. on telephone number 21337333, or by calling personally at its offices at **Continental Business Centre, Old Railway Track, Santa Venera** or by email mhi@gov.mt . The public is also being invited to access the Directorate's Facebook page at <https://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626?ref=hl> or our official website at https://ehealth.gov.mt/HealthPortal/public_health/environmentalhealth/department_for_env_health.aspx for similar information
