

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

Reference Number: PR151644en, Press Release Issue Date: Jul 15, 2015

In accordance with the Food Safety Act and Regulation (EC) No. 178 of 2002 of the European Parliament and of the Council, the Environmental Health Directorate within the Superintendence of Public Health wishes to inform the public that from information received through the Rapid Alert System for Food and Feed the following product must not be consumed due to the presence of veterinary drug residue Sulfonamide.

Product Description:	Honey
Brand:	Siberia Group
Origin:	Germany
Packaging Description and Weight:	Rectangular, transparent plastic tub by 250g
Lot No.:	BC-201
Best Before:	23/10/2016

Since the company involved has reported that the consignment has reached the final consumer, as it has done in these cases, this Directorate is obliged to inform the public of this recall.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 8:00a.m. and 14:30p.m. on 21337333, by calling personally at its offices at Continental Business Centre, Old Railway Track, Santa Venera or by email mhi@gov.mt. The public is also being invited to access the Directorate's Facebook page on <https://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626?ref=hl> or the official website on <http://health.gov.mt/en/environmental/Pages/Home-Page.aspx> for similar information.
