

NOTICE ISSUED BY THE ENVIRONMENTAL HEALTH DIRECTORATE

Reference Number: PR151835eng, Press Release Issue Date: Aug 12, 2015

The Environmental Health Directorate wishes to notify that after taking the necessary steps to repair the damage in the drainage system, and following repeated sampling of seawater carried out on a daily basis during the last days, the area in the vicinity of a hotel situated in Spinola Bay, St Julian's, is once again fit for bathing and thus the health warning is hereby being lifted.

In the following hours staff from this Directorate will be removing the signs affixed in the past days at this site.

This Directorate would like to remind the public that bathing in the area of the Dog Friendly Beach in Baħar iċ-Ċagħaq is still not recommended.

The public is being encouraged to abate by these instructions.
