

NOTICE ISSUED BY THE ENVIRONMENTAL HEALTH DIRECTORATE

Reference Number: PR151868en, Press Release Issue Date: Aug 22, 2015

The Environmental Health Directorate wishes to notify that after taking repeated samples of sea water, carried out on daily basis during the last days, the area in the vicinity of Churchill Bar and the outer Point of jetty in Xlendi are once again fit for bathing and thus the health warning is hereby being lifted.

In the following hours staff from this Directorate will be removing all signs affixed on these sites.

The public is being encouraged to abide by these instructions.
