Request for Participation (Negotiated) for the Supply of Peha-Profile Surgical gloves

Clarification reply

Questions submitted by Economic Operator

1. Kindly clarify deadline for submission. Front page of tender document states 08/11/2021 whereas on page 4 deadline is stated as 08/01/2021
2. Please clarify consumption per size.
3. The product specifications presented in the RFP document seem to be a combination of specifications from different gloves. The RFP request is for Peha-Profile surgical gloves however the specifications do not meet the specifications of another product from the Peha range of gloves:

"with a shielding effect against scattered X-rays. Made of thin natural rubber latex and lead-free metal oxide (Bismuth(III) oxide). Very good touch sensitivity, highly elastic and tear resistant, no tiring of fingers due to full anatomic shape....." this is a specification for Peha-shield surgical gloves and not Peha-Profile surgical gloves.

Reply to Clarification

This call is to be cancelled to be re-published at a later stage.

The above clarification is constituted to form an integral part of the original published procurement documentation. Other sections in the original procurement document which are not effected by this clarification will remain unchanged.
