Question 1:

Would it be possible to refrain from offering the service for neonatals and patients requiring general anaesthesia.

Reply:

Yes.

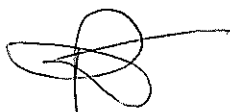

Question 2:

According to the conditions presented in the Expression of Interest, the contrast medium should be provided by the Service Provider at no extra cost. However the additional cost of contrast medium will increase our operational costs and therefore be reflected in our overall bidding price.

Reply:

This is indeed the case.

All other conditions and requirements, which are not superseded by this Clarification, remain in place.
