

NOTICE BY THE SUPERINTENDENCE OF PUBLIC HEALTH

Reference Number: PR181638, Press Release Issue Date: Jul 24, 2018

The Health Authorities have been alerted by the veterinary authorities that Salmonella was confirmed in eggs sampled from St Joseph Farm-M. Xerri PLM 005. The sampling was carried as part of the Veterinary National Control programme for salmonella.

The health authorities have ordered the recall of eggs packed by this farm from the retail market.

The public is being advised not to consume any eggs with the St Joseph Farm packaging.
