

NOTICE BY THE ENVIRONMENTAL HEALTH DIRECTORATE

Reference Number: PR181722, Press Release Issue Date: Aug 04, 2018

The Health Authorities have once again been alerted by the veterinary authorities that salmonella was isolated from the environment of the farm with license number PLG 016 located in 133, St Domenica Street, Victoria, Gozo. This sampling was undertaken as part of the Veterinary National Control programme for salmonella. The authorities have directed the producer to stop placing eggs on the market produced in his farm and eggs from the packing establishment having approval number EPC 011, and recall all the eggs produced from the 13th July onwards. The public is being advised not to consume any eggs directly originating from this farm.
