

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

ENVIRONMENTAL HEALTH DIRECTORATE NOTICE

Reference Number: PR181862en, Press Release Issue Date: Sep 03, 2018

In accordance with the Food Safety Act and Regulation (EC) No. 178 of 2002 of the European Parliament and of the Council, the Environmental Health Directorate within the Superintendence of Public Health wishes to inform the public that, following a local sampling programme and subsequent analysis, the mentioned product must not be consumed in view that it has been subject to irradiation without such process being declared on the label and without the necessary information on whether such process was performed in an authorised establishment.

Product name:	Natural Ginger bag
Brand:	Gold kili
Weight:	80g
Date of Manufacture:	10-04-2017
Durability date:	09-04-2019
Product of:	Singapore

It should be clarified that in Malta it is permitted for herbs and spices to be subject to irradiation provided that the process is performed in an approved establishment, at the right doses, and that the final product be labelled as being treated with irradiation.

For further information, the public is kindly requested to contact the Health Inspectorate Services between 8:00 a.m. and 2:30 p.m. on telephone number 21337333, or by calling personally at its offices at Continental Business Centre, Old Railway Track, Santa Venera or by email mhi@gov.mt. The public is also being invited to access the Directorate's Facebook page at <https://www.facebook.com/pages/Environmental-Health-Directorate-Malta/145027878928626?ref=hl> or our official website at for similar information. <https://deputyprimeminister.gov.mt/en/environmental/Pages/Home-Page>.
