## NOTICE BY THE SUPERINTENDENCE OF PUBLIC HEALTH

The Superintendence of Public Health together with the Veterinary Regulation Directorate wishes to notify the public that the warnings issued on the presence of Salmonella in eggs on 24<sup>th</sup> July, 2018 by PR

181638 <https://www.gov.mt/en/Government/Press%20Releases/Pages/2018/July/24/pr181638.aspx#> and on the 4<sup>th</sup> August, 2018 by PR

181722 <https://www.gov.mt/en/Government/Press%20Releases/Pages/2018/August/04/PR181722.aspx> are being withdrawn since the two farms are now compliant with the relevant legislation on Salmonella and therefore have been replenished with hens which are now producing eggs.
