

STOP NOVEL CORONAVIRUS

Returning from China where there is Novel Coronavirus

Public Health
+356 21 324 086

Check out for symptoms:

Fever

Cough

Shortness of breath

If you have any of the above symptoms, you should:

- ✓ Stay home, do not come into contact with other persons;
- ✓ Call your doctor - seek medical advice immediately;
- ✓ Do NOT go to the Emergency Department or Health Centres;
- ✓ Call Public Health on +356 21 324 086.

Protect yourself and others by maintaining cough etiquette:

- ✓ Cover your mouth and nose when coughing and sneezing with a tissue, or your elbow;
- ✓ Wash your hands frequently with soap and water for at least 20 seconds. If soap is not available, use an alcohol-based hand disinfectant.

STOP NOVEL CORONAVIRUS

Take precautions
if travelling to China:

Public Health

**Avoid contact with people who
have the following symptoms:**

Fever

Cough

Shortness of breath

Protect yourself and others by:

- ✓ **Avoiding contact with live or dead animals such as markets where there are animals, or uncooked meat;**
- ✓ **Wash your hands frequently with soap and water for at least 20 seconds. If soap is not available, use an alcohol-based hand disinfectant.**
