

Call for Tobacco Cessation Support Service facilitators

Are you a registered health professional interested in part-time work to help people who wish to quit tobacco use? The Health Promotion and Disease Prevention Directorate is seeking applicants in possession of a Medical, Dental, Pharmacy, Health Science or Social Science Degree to work on a part time basis delivering smoking cessation services. Successful applicants will be required to undergo online and in-house training taking place in December 2021. Remuneration of services is at €15 per hour, exclusive of taxes.

Apply by sending your CV and the name and contact details of two referees by email to health.pro@gov.mt by 12th November 2021. Please contact Dr Borg Buontempo on 23266000 for further details.
