

Engagement of Facilitators: Tobacco Cessation Support Service

The Health Promotion and Disease Prevention Directorate within the Superintendence of Public Health requires the services of part-time facilitators for the Smoking Cessation Support Service in Malta and Gozo.

Applicants are required to be registered health care professionals working within the medical, dental, nursing, pharmaceutical, allied health sciences or social science fields.

Successful applicants will need to attend a mandatory training course as well as undergo online training. They will be required to deliver services at different Health Centres and during occasional activities held by the Directorate. The successful candidates will be required to deliver services for an initial period of one (1) year, subject to satisfactory performance.

Successful candidates will be remunerated at €15 per hour, excluding tax.

Eligible candidates will be called for an interview. Interested applicants are to submit a detailed CV, enclosing copies of their registration with the relevant Council, certificates and testimonials of experience claimed, to the Health Promotion and Disease Prevention Directorate, The Emporjium, 5B, C. De Brockdorff Street, Msida MSD 1421 or by email to health.pro@gov.mt by Monday 27th January 2020.
