Re: Schedule V card for Malignant Diseases

It has been brought to our attention that patients entitled to medicinal treatment for malignant diseases are being issued with two Schedule V cards: one applied for by the Consultant at MDH and another by the Consultant at Sir Paul Boffa Hospital.

It has therefore been decided that only one Schedule V card is to be issued for Malignant disease which will reflect the applications from both Consultants.

The medicines issued from the MDH consultant will be listed individually while the medicines issued by the Boffa Oncologist will be included under 'Specific treatment as prescribed by Consultant Oncologist (Consultant's name)'.

A Schedule V specimen card is attached.
