It is being brought to your attention that the Department of Social Security is launching an automated Pink Card application as a pilot project in the branch office of Birkirkara as from Monday 16th December 2013. If the operation proceeds smoothly, the application will be adopted by all branch offices in the first week of January 2014.

The main difference with this change is that people eligible for a Schedule II Card (Pink Card) will no longer be issued with handwritten Pink Forms (PA 210) and Pink Cards (DH 128). All these documents will be generated through the system on a **white A4 paper**. Please find attached the samples of the Control Card (DH 128) [Annex 1] and PA 210 Form [Annex 2].

Old Pink Cards and Pink Forms will still be valid up to their expiry date. Old Pink Cards and Pink Forms will be replaced with the new forms when the applicants renew their documents.

The benefits of the automated system will be realised through an increase in administrative efficiency and the formation of a valuable and accurate database of pink card holders.

Thank you
