RE: Exceptional Medicinal Treatment requests for Antibiotic Treatment

All Exceptional Medicinal Treatment requests for antibiotic treatment require a signature of a member of the Mater Dei Hospital Antibiotic Team.

The Mater Dei Hospital Antibiotic Team members are:

Dr Michael A. Borg
Dr. Paul Caruana
Prof Paul Cuschieri
Dr Charles Mallia Azzopardi
Dr Tonio Piscopo
Dr. David Pace
Dr Peter Zarb

In the case that the request is raised by any other Consultant, endorsement from one of these Antibiotic Team members should be sought before submitting the request to the Directorate for Pharmaceutical Affairs and included in the request.

Requests which do not include this endorsement will need to be sent back to the requesting Consultant for the necessary corrective action.

For your attention please.
