Re: Calcipotriol Ointment in 100g tubes

Please be informed that the new stock of Calcipotriol Ointment available within the National Health Scheme is now in 100g tubes instead of 30g. Once all stock of calcipotriol ointment 30g is exhausted, the equivalent quantity of 100g tubes is to be issued.

Your cooperation is highly solicited to prevent depletion of stock.

For your attention please.
