**RE: Change in Brand of Clonazepam 0.5mg and 2mg Tablets**

The 0.5mg and 2mg Rivotril® (clonazepam) tablets have been discontinued by Roche Products Limited. Generic preparations of clonazepam 0.5mg and 2mg tablets are available instead. Patients are encouraged to consult their physician if any problems or difficulties arise after the change in brand.

For your attention, please

Dr Neville Calleja  
Acting Chief Medical Officer
