Re: Ipilimumab 5mg/mL Concentrate for Solution for Infusion

In line with the Government's commitment to increase the availability of free cancer treatment, Ipilimumab 5mg/mL concentrate for solution for infusion is being introduced on the Government Formulary List for in patient use with immediate effect.

It is to be used in conjunction with Nivolumab 10mg/mL concentrate for solution for infusion as per summary of product characteristics and can be prescribed by Consultant Oncologists and Consultant Haematologists.

For your attention please.

Dr. Denis Vella Baldacchino
Chief Medical Officer
