Dear Dr. Denis Vella Baldacchino:

Thank you once again for your submission to the CAPAM 2010 International Innovations Awards Programme. We are delighted to inform you that your submission *Migrant Health Unit* has been chosen as a semi-finalist in the *Innovations in Government Services and Programmes* awards category.

I congratulate you on your innovation and the work undertaken to make a submission to the programme. This year, we received over 150 submissions from across the Commonwealth and you are one of just 32 semi-finalists in the four awards categories.

The jury panel will be evaluating all semi-finalists over the next month. We will be in touch to inform you if you have been selected as a finalist in this year's award process.

Congratulations once again, we look forward to staying in touch.

Sincerely,

David Waung
